

DD/M&S Registry  
File Security-4

Director of Security  
[redacted]

AT

A quick review in the DD/M&S indicates that there is no objection to the Harry Rositzke article. In order that we are completely consistent in our position with Angus Thuermer, it would be appreciated if you would route your response through the DD/M&S, so we can add our endorsement.

Suspense: 21 June 1974.
